

Parental Escort Policy

Welcome to Eastland Center!

Eastland Center's Parental Escort Policy is designed to promote a comfortable shopping environment where anyone under 18 years of age visiting Eastland Center after 5 p.m. must be with and under the direct supervision of at least one parent and/or guardian (age 21 or older) or responsible adult (age 21 or older) at all times. Parents and/or guardian or the responsible adult are responsible for the actions of the escorted minors.

At least one parent (age 21 or older) or responsible adult (age 21 or older) must be with and supervise the minors at all times. The adult-to-youth ratio of one adult (age 21 or older) for up to, but not to exceed, four minors under age 18 is required.

Unescorted minors (under the age of 18) shopping at 5 p.m., or thereafter, will be provided three options: 1) joined by a parent and/or guardian (age 21 or older) or responsible adult (age 21 or older); 2) ability to leave; and 3) arrange and wait for pick-up.

To enforce rules applicable to minors, Eastland Center reserves the right to ask those appearing to be minors (under the age of 18) for photo identification that includes proof of age. Acceptable forms of identifications include a valid driver's license, state identification card, visa, passport or military identification.

Anyone in violation of the Eastland Center Parental Escort Policy, including the parent and/or guardian (age 21 or older) or responsible adult (age 21 or older), or the escorted minor (s), will be asked to leave the property and may be subject to expulsion, bannings, and/or prosecution for criminal trespass for their related behavior.
